THE 61st WORLD DAY OF PRAYER FOR VOCATIONS: [21st April 2024] Message by Pope Francis

Called to sow seeds of hope and to build peace: In this light, I would say once more, as I did at World Youth Day in Lisbon: *"Rise up!"* Let us awaken from sleep, let us leave indifference behind, let us open the doors of the prison in which we so often enclose ourselves, so that each of us can discover his or her proper vocation in the Church and in the world, and become a pilgrim of hope and a builder of peace! Let us be passionate about life, and commit ourselves to caring lovingly for those around us, in every place where we live. Let me say it again: *"Have the courage to commit!"* Father Oreste Benzi, a tireless apostle of charity, ever on the side of the poor and the defenseless, used to say that no one is so poor as to have nothing to give, and no one is so rich as not to need something to receive. Let us rise up, then, and set out as pilgrims of hope, so that, as Mary was for Elizabeth, we too can be messengers of joy, sources of new life and artisans of fraternity and peace.
