MESSAGE: Dominic Tang, the courageous Chinese archbishop, was imprisoned for twenty-one years for nothing more than his loyalty to Christ and His true Church. After five years of solitary confinement in a windowless, damp cell, the Archbishop was told by his jailers that he could leave it for a few hours to do whatever he wanted. Five years of solitary confinement and he had a couple of hours to do what he wanted! What would it be? A hot shower? A change of clothes? Certainly, a long walk outside? A chance to call or write to family? What would it be, the jailer asked him. "I would like to say Mass," replied Archbishop Tang. Another incident of a **Vietnamese Jesuit, Joseph Nguyen-Cong Doan**, who spent nine years in labor camps in Vietnam, relates how he was finally able to say Mass when a fellow priest-prisoner shared some of his own smuggled supplies. *"That night, when the other prisoners were asleep, lying on the floor of my cell, I celebrated Mass with tears of joy. My altar was my blanket, my prison clothes my vestments. But I felt myself at the heart of humanity and of the whole of creation."* Jesus instituted the Holy Eucharist both as a sacramental banquet and a sacrificial offering. As a Sacrament, a) the Eucharist is a visible sign that gives us God's grace and Life b) as a Meal, The Eucharist nourishes our souls. As a sacrifice a) the Eucharistic celebration is a re-presentation or re-enactment of Jesus' sacrifice on Calvary, completed in His Resurrection and Ascension. b) We offer Jesus' sacrifice to God the Father for the remission of our sins, using signs and symbols.
