LIFE MESSAGE: Mother Teresa was asked about the materialism in the world. "The more you have, the more you are occupied," *she contends*. "But the less you have the freer you are. Poverty for us is a freedom. There is no television here, no this, no that. This is the only fan in the whole house...and it is for the guests. But we are happy. I find the rich poorer," *she continues*. "Sometimes they are lonelier inside...The hunger for love is much more difficult to fill than the hunger for bread...The real poor know what joy is." *When asked about her plans for the future, she replied*, "I just take one day. Yesterday is gone. Tomorrow has not come. We have only today to love Jesus." *Is there anyone in this Church as rich as Mother Teresa?*
