Abortion petition rejected by our Secretary of State: Thanks be to God! Today we are happy to send you the good news that the petition to place the terrible Arkansas Abortion Amendment on our voting ballots has been rejected by our Secretary of State. Of course, there will probably be legal challenges to this ruling, but today many prayers have been answered! Let us continue our efforts to educate everyone regarding the grave immorality of abortion. Let us pray that the Holy Spirit will inspire a change of heart in those who support abortion.
