**Life message:** Today's readings challenge us to trust in the providence of a loving and caring God and to hunger and thirst for the Bread of eternal life – the Holy Eucharist. As human beings, we hunger for many things besides food and material possessions. We hunger to be recognized and honored, to love and be loved, to be listened to and to be appreciated, and to receive gratitude. But only God can satisfy our various forms of spiritual hunger. St. Augustine said: *"You have made us for Yourself, O God, and our hearts are restless until they rest in You"*
