Message: The word Advent comes from the Latin '*advenio*', which literally means "come to." During this Advent season we ourselves should consider "coming to" Christ, because Christ has already "come to" us in Baptism. Our Church reminds us that these are days of "*joyful and prayerful anticipation of Jesus' coming*," because the Advent season is intended to fill us with great expectations for the coming of the Messiah just as parents expectantly wait for the birth of their child and make preparations for receiving the child into their family.
